Local Community Support

Maintaining and developing strong connections within the community.

- ◆ Offering a continuum of innovative and flexible support
- ◆ Utilising collaborative administrative practices
- ◆ Maximising funds available for people needing supports.

### Accessible Living Options

ALO is committed to undertaking programs and activities that have a direct impact on the lives of people who are ageing, people with dementia, people with a disability, people with a mental illness, and their carer's. This includes commitment to the development and delivery of high quality community care, contribution to planning and development activities, community development initiatives and broader sector research, leadership and mentoring.

We pride ourselves on being creative, proactive and innovative. We think outside the square and always work to ensure the needs and preferences of the people we work for are at the centre of what we do.

We specialise in creating tailored solutions to meet individual needs.

### Bathurst Seymour Centre

We are a centre-based day care service for older people, people with a disability and their carers who live in the Bathurst Regional Area. Our centre offers a safe, friendly and welcoming environment so that people are encouraged to keep healthy and active. We also provide centre based respite for carers so that they can have a break from their caring role for a few hours.
